EUR thousands

Audax Renovables ends first half of 2019 with a net profit of EUR 6,760 thousands, increasing its EBITDA by 110.3%.

- The first half of 2019 consolidated profit and loss account includes UniEléctrica figures of the 6 firsts months of 2019, instead of that, in 2018 first half results there are consolidated UniEléctrica figures from April to June 2018, due to its incorporation to the group from its acquisition date.
- Regarding supply division, the good performance both in Spain and in the Rest of Europe compared to the same period of the previous year, contributes to the increase of Gross Margin by 26%, without taking into consideration the effect of the compared figures of UniEléctrica commented above.
- The energy generation division has increased its operating income, mainly due to a higher wind resource (+15% of global production), and a higher average market price of this first half both in Spain (3% higher) and in the Polish Green Certificates market (80% higher), both of them compared to the first half of the previous year.

Significant Events within the Reporting Period

Among the most important events of the period, we can point out the following:

- On 18 February the Company registered a promissory note program under the name "Audax 2019 Promissory Note Program" in the Alternative Fixed-Income Market ("MARF"), for a maximum amount of EUR 75 millions and with amortization terms of the promissory notes of up to 24 months.
- Audax informed on 4 February that started acting as representative for the sale of electric energy in the Portuguese market of the photovoltaic installation Ourika of 46MWp, developed by Welink Group and owned by the company Morningchapter S.A., controlled by Allianz Insurance Companies, under a power purchase agreement (PPA) for 20 years.
- On 7 February it was announced the signature of a representation agreement for the sale of electric power on the Portuguese market from the Solara4 photovoltaic power station of 218.8 MWp, pursuant to the 20-year fixed-price framework PPA, signed with WELink Investment Holdings (Ireland) Ltd., under which Audax will purchase the energy produced by photovoltaic projects in Spain and Portugal, with an option to achieve a total of 708 MW.
- On 19 March it has been closed a representation agreement for the long-term trade of electric power from different photovoltaic facilities owned by the company Trina Solar (Spain) Systems S.L.U. in Spain. The Group will acquire for 20 years, through PPA contracts, all the electrical energy produced by these photovoltaic facilities, with a capacity of up to 300 MWp.
- On April Audax communicated that the rating agency AXESOR awarded the rating of Audax Renovables, S.A. in "BBB-" with stable outlook.
- On April 29th, General Shareholders' Meeting has been held, where, in addition to publishing the resolutions adopted, the main course of action for 2022 were presented:
 1. Strengthen the Audax's leadership as the first independent supplier in the SME segment of the Spanish market.
 2. Double its profitability, by covering 2/3 of the energy supplied to its clients with long-term PPA contracts attached to third party and own solar PV assets developed in-house, following an assets rotation strategy.
 3. Replicate the success achieved in Spain on an international scale in those countries where it is already operating.
- On 8 May, Audax announced the incorporation of photovoltaic projects for 320 MW located in Andalucía, Castilla la Mancha and Murcia, 60 MW of which are in a very advanced stage. Projects mentioned have been acquired through purchase for a total combined price of EUR 19,848 thousands. The energy produced in the future by these photovoltaic projects will be sold through the incorporation of a PPA in the supply division of Audax.

CONSOLIDATED MANAGEMENT REPORT 1H 2019

Significant Events within the Reporting Period

- On May 28th, the first Audax Renovables' Investor Day was held. The company was presented by José Elías, Chairman, founder and majority shareholder; Eduard Romeu, Vice-President and CFO, and Anabel López, General Manager. The management used this opportunity to explain the history of the company, its main achievements and its guidelines:
