

Information about average period of payment to suppliers for the companies of the Group which have their tax residence in Spain, we set out below the information required by the 3rd Additional Disposition of the law 15/2010/5 July of "Information Duty", modified by the 3rd final disposition of the law 18/2022/28 September:

	<b>2022</b>	<b>2021</b>
	<b>Days</b>	<b>Days</b>
Average period of payment to suppliers <sup>(1)</sup>	14	23
Paid transactions ratio	13	21
Transactions with outstanding payment ratio	14	23
	<b>Amount in EUR thousands</b>	
Total payments carried out	1.176.948	1.067.996
Total outstanding payments	44.206	66.139

(1) Under the law 11/2013/26 July, the maximum legal time limit for payment, applicable to the companies of the Group which have their tax residence in Spain, is of 30 days, except for the case when by agreement a longer time period is established, which under no circumstances can exceed 60 days.

Regarding Audax Renovables, S.A. the average payment period to the suppliers of the Company is the next one:

	<b>2022</b>	<b>2021</b>
	<b>Days</b>	<b>Days</b>
Average period of payment to suppliers <sup>(1)</sup>	14	28
Paid transactions ratio	14	26
Transactions with outstanding payment ratio	14	28
	<b>Amount in EUR thousands</b>	
Total payments carried out	885.990	597.703
Total outstanding payments	33.578	45.282
	<b>30 days</b>	
Amount of payments carried out (EUR thousands)	810.219	
Percentage about the total amount of payments carried out	90,98%	
Number of bills paid	394.746	
Percentage about total number of bills paid to suppliers	67,93%	

(1) Under the law 11/2013/26 July, the maximum legal time limit for payment, applicable to the companies of the Group which have their tax residence in Spain, is of 30 days, except for the case when by agreement a longer time period is established, which under no circumstances can exceed 60 days

The payments detailed in the above table as payments to providers refer to those which by their nature are trade payables for debts with suppliers of goods and services, in such a way that they include the needed information for the 'Other creditors' account found as current liabilities in the balance sheet.

Thus, we see that the average payment period to suppliers of the Spanish Group companies, and Audax Renovables S.A. are 14 days.
